The 2010 edition of *The Partnership Tax Practice Series: Planning for Domestic and Foreign Partnerships, LLCs, Joint Ventures & Other Strategic Alliances* has a new look and feel but still contains the comprehensive partnership tax information you've come to expect from PLI's leading Partnership Tax Series.

This year's edition contains 325 chapters, written by more than 180 leading tax partnership practitioners and delivers a sound analysis of cutting-edge transactional tax-related issues and innovative solutions for highly effective tax planning results.

Beginning with the 2010 edition, *The Partnership Tax Practice Series* will be produced in binders in a "treatise-style" format and will be updated through supplements in future years.
